

Tenant Forums are held before five of the six Tenant Council meetings each year.

The Forums allow tenants to raise matters of general concern with NCCH staff and Tenant Councillors.

Guest Speakers on topics of interest regularly attend.

We welcome tenants to stay for lunch and chat after the Forum.

Who are we?

We are a small group of tenants.....just like you!

What do we do?

We talk about issues that other tenants, or ourselves, believe need attention.

What do we achieve?

We are a link between NCCH staff and the Board. In this way, we make NCCH aware and accountable to improve services to tenants. We also help NCCH develop their plan of action for the next year. And most importantly, we enjoy each other's company and our role! We make a difference!

When do we meet?

Meetings are held every two months at different locations. This way all tenants can have the chance to raise matters of general concern, or attend Tenant Forums. Our travel expenses are reimbursed or we car pool.

Where do we meet?

In the Clarence, Richmond and Tweed, e.g. Grafton, Maclean, Lismore, Byron & Tweed Heads.

What have we found?

We have found that being on the Tenant Council keeps our brains working, increases self-worth, and helps NCCH and tenants with important issues.

NCCH provide a great lunch!

What skills are needed?

Our backgrounds and interests are all different. In this way, we bring a range of skills and experience to the Tenant Council. Not all Councillors have all the same skills. Difference is important! Here are some comments from a few of the Tenant Councillors:

“Being on the Tenant Council...we make a difference! We listen to you, help and advocate for all tenants.”

“I joined the Tenant Council as soon as it started, as a way of giving back for the relief I had experienced at being given permanent housing. I like to help others, as I moved around for years and understand how tenants are affected by various difficulties.”

“I joined the Tenant Council to get straight answers to my questions. I have got those answers and more. For now, I have a job that satisfies me, keeps me out of mischief, plus gives me information I can pass on to other tenants.”
