

## Who is North Coast Community Housing?

NCCHC has been providing low-cost accommodation for local people since 1985.

Our housing is used to assist people who we assess as having the highest needs.

We also assist people to get help from Housing NSW for products such as “Emergency Temporary Accommodation” or “Rentstart”.

We have offices in Grafton, Lismore, and Tweed Heads.

**HOUSING our  
local communities**

## How can we help?

NCCHC can help you to:

- ◆ Apply to go on the NSW Housing Register
- ◆ Check your application on the NSW Housing Register
- ◆ Update your details if your situation changes

## Are you moving in to a new private rental home?

You may be eligible for Government assistance with the bond!

**Application forms are available at our offices.**

*Providing homes, Improving lives, Strengthening communities*

## Are you currently homeless or at risk of being homeless?

We can assist you with getting help from Housing NSW for Emergency Temporary Accommodation.

We can also assess your household for priority housing assistance.
